A Court authorized this Notice. This is not a solicitation from a lawyer.

- A settlement not to exceed \$15,000,000 has been reached in a putative class action lawsuit against DaVita, Inc. (“DaVita” or “Defendant”) regarding a criminal Ransomware Attack perpetrated against Defendant in April 2025 and resulting in the potential unauthorized access of Settlement Class Members’ Personal Information. You may submit a claim for any or all of the above-listed benefits.

BASIC INFORMATION

1. Why is this Notice being provided?

A court authorized this Notice because you have the right to know about the Settlement of this putative class action lawsuit and about all of your rights and options before the Court decides whether to grant final approval to the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what Settlement benefits are available, who is eligible for the Settlement benefits, and how to get them.

The Honorable Regina M. Rodriguez of the United States District Court for the District of Colorado is overseeing this lawsuit, which is known as *Jenkins v. DaVita Inc.*, Case No. 1:25-cv-01358 (“lawsuit”). The individuals who filed this lawsuit are called the “Plaintiffs” and/or “Class Representatives” and the company sued, DaVita, Inc., is called the “Defendant.”

2. What is this lawsuit about?

The Plaintiffs filed this lawsuit against the Defendant on behalf of themselves and all others similarly situated regarding a criminal Ransomware Attack perpetrated against Defendant in April 2025 and resulting in the potential unauthorized access to Settlement Class Members’ Personal Information. The Personal Information involved varied by individual, and may have included certain demographic information, such as names, addresses, dates of birth, Social Security numbers, health insurance-related information, and other identifiers internal to DaVita, as well as certain clinical information, such as health conditions, other treatment information, and certain dialysis lab test results. For some individuals, the information included tax identification numbers, and in limited cases images of checks written to DaVita.

Defendant denies the legal claims asserted by Plaintiffs and denies any wrongdoing or liability. The Court has not made any determination of any wrongdoing by Defendant, or that any law has been violated. Instead, the Plaintiffs and Defendant have agreed to a settlement to avoid the risk, cost, and time of continuing the lawsuit.

3. Why is there a Settlement?

The Plaintiffs and Defendant do not agree about the legal claims made in this lawsuit. The lawsuit has not gone to trial, and the Court has not decided in favor of the Plaintiffs or Defendant. Instead, the Plaintiffs and Defendant have agreed to settle the lawsuit. The lawyers for the Plaintiffs believe the Settlement is best for the Settlement Class because of the Settlement benefits available and the risks and uncertainty associated with continuing the lawsuit.

4. Why is this lawsuit a class action?

In a class action, one or more people (called class representatives) sue on behalf of all people who have similar legal claims. Together, all these people are called a class or class members. One court may resolve the issues for all class members, except for those class members who timely exclude themselves (opt out) from the class.

WHO IS INCLUDED IN THE SETTLEMENT?

5. How do I know if I am included in the Settlement?

The Settlement Class includes all U.S. persons whose Personal Information was potentially accessed without authorization in the Ransomware Attack.

6. Are there exceptions to being included in the Settlement?

Yes. Excluded from the Settlement Class are: (i) Defendant, any entity in which Defendant has a controlling interest, and Defendant’s affiliates, parents, subsidiaries, officers, directors, legal representatives, successors, and assigns; (ii) any judge, justice, or judicial officer presiding over the lawsuit and the members of their immediate families and judicial staff; and (iii) any individual who timely and validly excludes themselves from the Settlement.

THE SETTLEMENT BENEFITS

8. What does this Settlement provide?

If you are a Settlement Class Member, you can submit a Claim Form for the following Settlement benefits:

Pro Rata Cash Payment. All Settlement Class Members may claim a Pro Rata Cash Payment in the estimated amount of \$50. The exact amount of payments shall be calculated by dividing remaining funds in the \$10,000,000 Settlement Fund, after payment of Notice and Claims Administration Costs, Attorneys' Fees, Costs, and Expenses Award, Service Awards, and the cost of claimed Credit Monitoring, by the number of eligible claims for Pro Rata Cash Payments. The dollar amount of Pro Rata Cash Payments will be adjusted upwards or downwards based upon the number of valid claims filed.

Credit Monitoring. In addition to electing any of the other Settlement benefits, Settlement Class Members may claim three (3) years of Credit Monitoring that will provide the following benefits: one-bureau Credit Monitoring, dark web monitoring, identity theft insurance coverage for up to \$1,000,000, and fully managed identity recovery services.

Documented Out-of-Pocket Losses. All Settlement Class Members may file a claim for reimbursement of Documented Out-of-Pocket Losses. Such compensation for Documented Out-of-Pocket Losses is limited to a maximum of \$2,500 per individual Settlement Class Member. Documented Out-of-Pocket Losses may include, without limitation, actual, documented, unreimbursed costs, expenses, losses, or charges incurred as a result of identity theft, fraud, falsified tax returns, real estate title fraud, financial fraud, government benefits fraud, or other misuse of the Settlement Class Member's Personal Information that is fairly traceable to the Ransomware Attack.

You will only be reimbursed for Documented Out-of-Pocket Losses if the following is true:

1. The loss is an actual, documented, and unreimbursed monetary loss.
2. The loss is fairly traceable to the Ransomware Attack.
3. The loss occurred between April 11, 2025, and January 19, 2027.
4. You made reasonable efforts to avoid the loss or seek reimbursement for the loss, including, but not limited to, disputing unauthorized transactions and exhausting all existing credit monitoring insurance and identity theft insurance.
5. You attest under penalty of perjury that you believe the loss is fairly traceable to the Ransomware Attack and that all the information provided on the Claim Form is true and accurate to the best of your knowledge, information, and belief.

To receive reimbursement for Documented Out-of-Pocket Losses, you must provide the following with your Claim Form:

1. Your name and current address
2. Documentation supporting the unreimbursed cost(s), loss(es), or expenditure(s)
3. A brief description of the nature of the cost(s), loss(es), or expenditure(s)
4. An explanation of how each loss claimed is fairly traceable to the Ransomware Attack
5. An attestation under penalty of perjury (a legal term meaning a signed statement declaring the information is true and accurate) that you believe the claimed loss is fairly traceable to the Ransomware Attack, that you have not been previously reimbursed for the claimed loss, and that all the information provided on the Claim Form is true and accurate to the best of your knowledge, information, and belief

Examples of acceptable documentation may include receipts or other documentation not "self-prepared" by you. "Self-prepared" documents such as handwritten receipts are, by themselves, insufficient to qualify for reimbursement for Documented Out-of-Pocket Losses.

To determine what losses are considered ‘fairly traceable’ to the Ransomware Attack, the Settlement Administrator will consider the following:

1. The timing of the loss, including whether the loss occurred on or after April 11, 2025, through the date of the Claim Form
2. Whether the loss involved the possible misuse of the type of Personal Information potentially accessed in the Ransomware Attack
3. The explanation you provide as to how the loss is fairly traceable to the Ransomware Attack
4. The nature of the loss, including whether the loss could be reasonably incurred as a result of the Ransomware Attack
5. Any other factor that the Settlement Administrator considers to be relevant
6. Any other factor that Class Counsel and Defendant’s Counsel jointly agree to instruct the Settlement Administrator to consider

The Settlement Administrator shall have the sole discretion and authority to determine whether claimed Documented Out-of-Pocket Losses are valid and fairly traceable to the Ransomware Attack.

Your reimbursement for Documented Out-of-Pocket Losses may be subject to a pro rata (a legal term meaning equal share) decrease if the total value of (i) timely and valid Claim Forms for Documented Out-of-Pocket Losses and (ii) an associated Supplemental Attorneys’ Fees Award the Court may grant to Class Counsel together exceeds \$5,000,000.

9. What am I giving up to receive Settlement benefits or stay in the Settlement Class?

Unless you exclude yourself (opt out), you will remain in the Settlement Class. If the Settlement is approved and becomes Final, all Court orders and any judgments will apply to you and legally bind you. You will not be able to sue, continue to sue, or be part of any other lawsuit against the Released Parties about the Released Claims in this lawsuit. The specific rights you are giving up are called “Released Claims.”

10. What are the Released Claims?

Section XVIII of the Settlement Agreement describes the Release, Released Claims, and Released Parties, in necessary legal terminology, so please read this section carefully. The Settlement Agreement is available at DVACyberattackSettlement.com. For questions regarding the Release, Released Claims, or Released Parties and what the language in the Settlement Agreement means, you can also contact Class Counsel listed below for free, or you can talk to your own lawyer at your own expense.

EXCLUDE YOURSELF OR OPT OUT OF THE SETTLEMENT

If you are a Member of the Settlement Class and want to keep any right you may have to sue or continue to sue the Released Parties on your own about the legal claims in this lawsuit or the Released Claims, then you must take steps to get out of the Settlement. This is called excluding yourself from—or “opting out” of—the Settlement.

14. How do I opt out of the Settlement?

To exclude yourself from the Settlement, you must mail a written Request for Exclusion, which includes the following:

- 1) Case Name and Number - *Jenkins v. DaVita Inc.*, Case No. 1:25-cv-01358 (D. Colo.)
- 2) Your full name, address, and telephone number
- 3) Your personal and original physical signature
- 4) A statement that you want to be excluded from the Settlement Class, such as “I hereby request to be excluded from the Settlement Class in *Jenkins v. DaVita Inc.*”

The exclusion request must be **mailed** to the Settlement Administrator at the following address, and be **postmarked** by **December 21, 2026**:

DaVita Ransomware Settlement
Settlement Administrator
P.O. Box 2943
Portland, OR 97208-2943

You cannot opt out (exclude yourself) online or by telephone or email.

You must submit an individual request seeking exclusion only for yourself. Any requests for exclusion purporting to seek exclusion on behalf of more than one Settlement Class Member (including any “mass” or “class” exclusion requests) will be deemed invalid by the Settlement Administrator.

15. If I opt out, can I still get anything from the Settlement?

No. If you opt out, you will not be able to receive Settlement benefits, and you will not be bound by the Settlement or any judgments in this lawsuit. You can only get Settlement benefits if you stay in the Settlement and submit a timely and valid Claim Form.

16. If I do not opt out, can I sue the Defendant for the same thing later?

No. Unless you opt out, you give up any right to sue any of the Released Parties for the legal claims released by this Settlement, and you will be bound by all the terms of the Settlement and all proceedings, orders, and judgments in the lawsuit. You must opt out of this lawsuit to start or continue your own lawsuit or be part of any other lawsuit against the Released Parties about the Released Claims in this Settlement. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately.

OBJECTING TO THE SETTLEMENT

17. How do I tell the Court I do not like the Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with all or any part of the Settlement, the requested Attorneys’ Fees, Costs, and Expenses Award, and/or the requested Service Awards.

Questions? Go to DVACyberattackSettlement.com or call 1-877-239-8791

To object, you must file your timely written Objection with the Court as provided below by **December 21, 2026**, stating you object to the Settlement in *Jenkins v. DaVita Inc.*, Case No. 1:25-cv-01358 (D. Colo.). If you request to exclude yourself from the Settlement, you cannot also file an Objection.

Your Objection must include all of the following information:

- 1) Case Name and Number - *Jenkins v. DaVita Inc.*, Case No. 1:25-cv-01358 (D. Colo.)
- 2) Your full name, current address, telephone number, and email address
- 3) A statement explaining why you believe you are a Settlement Class Member
- 4) A statement as to whether you object to the Settlement in whole or in part
- 5) A statement as to whether the Objection only applies to you as the objector, to a specific subset of the Settlement Class, or to the entire Settlement Class
- 6) A statement of the legal and factual basis for your Objection
- 7) Copies of any documents that you wish to submit in support of your Objection
- 8) The identity of all lawyers (including name, address, telephone number, and email address) representing you with respect to, or who provided assistance to you in drafting, your Objection
- 9) A statement confirming whether you intend to appear at the Final Approval Hearing personally or through your lawyer
- 10) Your personal and original signature as the objector (a lawyer's signature is not sufficient)

To object, you must file your timely written Objection with the Court by **December 21, 2026**, at the following address:

COURT
Clerk U.S. District Court Alfred A. Arraj Courthouse 901 19th Street Denver, CO 80294-3589

Notice of Intention to Appear:

If you are a Settlement Class Member and you object, you have the right, but are not required, to attend the Final Approval Hearing.

If you object to the Settlement and intend to appear at the Final Approval Hearing, your Objection must also include the following:

1. The identity of any lawyer(s) representing you as the objector who will appear at the Final Approval Hearing, including the lawyer's name, address, telephone number, email address, and state bar(s) to which the lawyer is admitted, as well as associated state bar numbers
2. The identity of any witnesses whom you or your lawyer intends to call to testify at the Final Approval Hearing
3. A description of any documents or evidence that you or your lawyer intends to offer at the Final Approval Hearing

18. What is the difference between objecting and asking to be excluded?

Objecting is telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself (or "opting out") is telling the Court that you do not want to be part of the Settlement Class. If you opt out, you cannot object because you are no longer part of the Settlement.

THE LAWYERS REPRESENTING YOU

19. Do I have a lawyer in the lawsuit?

Yes. The Court has appointed Bart D. Cohen of Bailey Glasser, LLP, J. Gerard Stranch, IV of Stranch, Jennings & Garvey, PLLC, and Gary M. Klinger of Milberg PLLC as Class Counsel to represent you and the Settlement Class for the purposes of this Settlement. You may hire your own lawyer at your own cost if you want someone other than Class Counsel to represent you in this lawsuit.

Questions? Go to DVACyberattackSettlement.com or call 1-877-239-8791

20. How will Class Counsel be paid?

Class Counsel will file a motion asking the Court to approve an Attorneys' Fees, Costs, and Expenses Award of up to one-third (approximately 33.33%) of the \$10,000,000 Settlement Fund, plus reimbursement of reasonable Litigation Costs. Class Counsel may also ask the Court to approve a Supplemental Attorneys' Fees Award of up to \$1,500,000 as compensation for the reimbursement of Documented Out-of-Pocket Losses that Class Counsel secured for the Settlement Class. The Supplemental Attorneys' Fees Award will be paid from the Supplemental Payment Amount separate from the Settlement Fund. The Supplemental Payment Amount is the sum of the timely and valid claims for reimbursement of Documented Out-of-Pocket Losses and the Supplemental Attorneys' Fees Award approved by the Court separate from the Settlement Fund and is capped at \$5,000,000.

Class Counsel will also ask the Court to approve Service Awards for the Class Representatives of up to \$2,500 each for their efforts in litigating and settling this lawsuit. If awarded by the Court, any Service Awards will be paid from the Settlement Fund.

The Court may award less than what Class Counsel requests for each of the Attorneys' Fees, Costs, and Expenses Award, the Supplemental Attorneys' Fees Award, and the Service Awards.

THE FINAL APPROVAL HEARING

The Court will hold a "Final Approval Hearing" to decide whether to approve the Settlement, the requested Attorneys' Fees, Costs, and Expenses Award, the requested Supplemental Attorneys' Fees Award, and the requested Service Awards. You may attend the Final Approval Hearing, and you may ask to speak if you file an Objection by the deadline, but you do not have to.

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **February 18, 2027, at 10:00 a.m.** before the Honorable Regina M. Rodriguez at Courtroom A901, Alfred A. Arraj Courthouse, 901 19th Street, Denver, CO 80294-3589. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and decide whether to approve the Settlement, the requested Attorneys' Fees, Costs, and Expenses Award, the requested Supplemental Attorneys' Fees Award, and the requested Service Awards. If there are Objections that were filed by the deadline, the Court will consider them at the Final Approval Hearing.
